**BIXBY CHOCOLATE**  
A Family Chocolate Company

### Hello!

With a passion to change chocolate confections,  
I started Bixby Chocolate in 2011 with my mom, Donna.

Motivated by personal experiences and a dearth in the market,  
we began producing non-GMO and Organic chocolates.

We are so pleased to present Bixby Chocolate  
offerings in this catalog.

We look forward to providing wholesome  
chocolate confections for you!

All confections are made in a facility that processes  
tree nuts and peanuts.

## Bixby Snack Bars

Bixby's candy snack bars are our classic and original confections. Made with real food ingredients and ethically sourced chocolate, these are the Bixby Chocolate reinvented candy bars.

Free of preservatives, additives, GMOs and containing 30-50% less sugar than your typical candy bars, Bixby Bars are more satisfying snacks.
